

## GRUMPY MULE SINGLE ORIGIN COFFEE

We have proudly been serving Grumpy Mule Coffee since 2007 and have established a firm relationship with Bewleys. At the core of the Grumpy Mule Brand is that all the beans are sourced fairly and sustainably and this effectively ensures an ethical business that we can trust. Bewleys continue to invest in local communities and work with organic farmers and growers which results in the delicious coffee you can enjoy with us every day.

The beans in our blend are single origin and 100% Arabic from Latin America, roasted slowly in gas fired drums which allows caramelisation of the natural sugars and hey presto the Grumpy Mule is in town!

Grumpy Mule is perfect at any time of the day and is guaranteed to make you feel less so.
